HSM ProfiPack 425 incl. Adaption kit

Back to overview HSM ProfiPack 425

The HSM ProfiPack 400 and 425 cardboard shredders are the ideal solutions for all dispatching and warehouse areas. They instantly convert the bulky used cardboard packaging of goods delivered to you into versatile and, most importantly, free packaging material.

- Multi-functional standing machine, mobile on casters
- Large motor provides high throughput speeds and power to spare: several layers can be easily processed at once
- Thermal fuses on all three phases protect the motor from overheating
- Easy operation using a dial with On / Off and Reverse positions
- 3-phase power connection
- Designed for connecting to dust extraction units (Art. No. 1531044)

Details | Videos | Accessories

- Quality MADE IN GERMANY
- Precise cutting unit geometry for excellent cutting results at maximum power
- Special cutting rollers for creating packaging material for universal use
- Includes an arrangement for connecting a vacuum cleaner

Order number	1531044	**EAN Code**	4026631021258
